

Correction to “Good Potatoes for Good Potato Crisps, a Review of Current Potato Crisp Quality Control and Manufacture”

In the above article [Yee NG, Bussell WT (2007) *Food* 1, 271-286], the following reference is incorrect

Page 277, paragraph 4, column 1, line 9

The line

mechanism of cell expansion (Pedreschi and Moyano 2005a). The

should read

mechanism of cell expansion (Heldman 2003). The

The following reference should have been added to the manuscript on page 282:

Moreira RG (2003) Deep-Fat Frying. In: Heldman DR (Eds) *Encyclopedia of agricultural, food, and biological engineering*. CRC Press, Boca Raton, Florida, pp173

The following reference should have been removed from the manuscript:

Pedreschi F, Moyano P (2005a) Oil uptake and texture development in fried potato slices. *Journal of Food Engineering* **70**, 557-563
